→ EXPERIENCE*

Junior Art Director - Biggerband

07/2018 - 08/2019

First as an intern, then as an apprentice, I worked in this parisian communication agency on motion design, brand identity, and interface design missions.

Motion Designer - Freelance

10/2017 - ?/2020

I've been a freelance designer along my studies and for about 3 years. It led me to various opportunities to work on motion design missions.

Design Intern - Wavy

07/2017 - 08/2017

This first professional experience has been very insightful as I was asked to work on both marketing and product design in this parisian start-up.

Art Director - So'Hétic

05/2017 - 05/2018

During my first year at HETIC, I had the opportunity to be part of the student association. As the designer, I was in charge of printed and digital communication assets.

→ EDUCATION

Grande école and bachelor web - HETIC

2016 - 2019

Digital product design and developement bachelor.

General Scientific High School - Saint Lô

2013 - 2016

Baccalaureate diploma with honors (2016)
